# THE SALTGRASS LEGEND

The original Saltgrass trail riders

Our story goes back to the mid 1800s, when millions of Longhorns roamed freely in Texas. With the taste of beef becoming a newfound favorite in the North, Texas ranchers prospered as never before. Each winter, the Longhorn were driven to the Texas Gulf Coast to graze on the rich coastal salt grass. And when they headed for market, they followed the legendary Salt Grass Trail. The trail was known far and wide for the best beef in the whole Lone Star State.

In 1952, this historic trail ride was revived by four riders to publicize the opening of the Houston Livestock Show and

Rodeo. Today, the ride has become an annual celebration of the original Texas spirit. The first Saltgrass Steak House still stands along this historic trail.

Saltgrass Steak House recaptures the flavor of the open campfire. Steaks, chicken and seafood are chargrilled to perfection. Complete with breads, desserts, dressings and soups made from scratch daily. At Saltgrass, our pledge is simple. Honor the old legends, while makin' a little history of our own.
